

DUBADU

Multimedia Platform
For Showcasing Real Estate
Around The World

ABOUT US

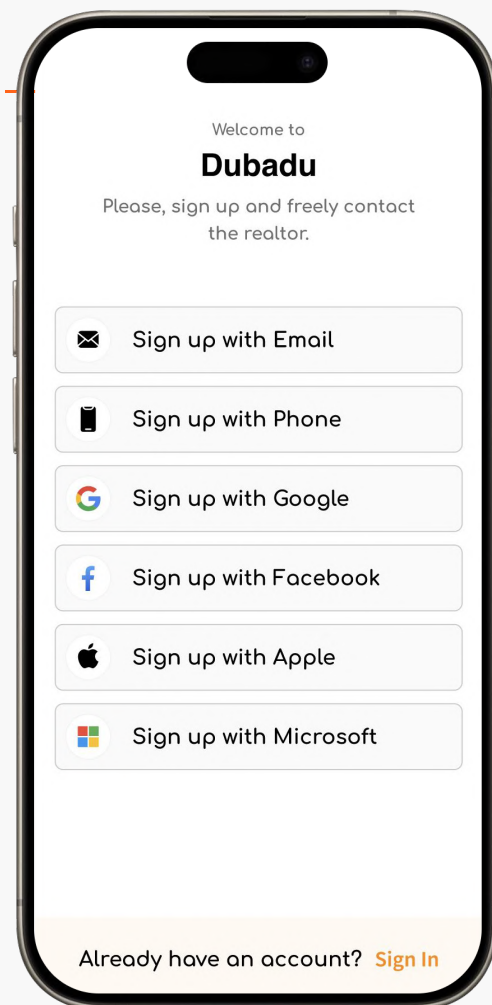

Welcome to Dubadu, where the future of real estate discovery takes center stage.

We offer engaging reels, an intuitive interface, and personalized service to make every search an adventure towards your new home.

We're a revolution in real estate search. Our dynamic reels and convenient service ecosystem make finding a home simple and exciting.

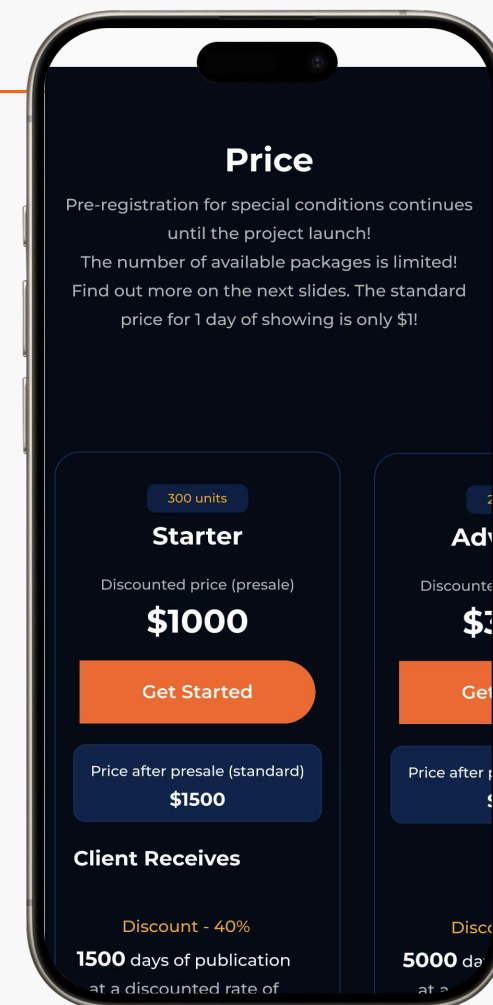

With high-quality listings, personalized service, and an intuitive interface, join us and discover a new era of real estate exploration!

HOW IT WORKS

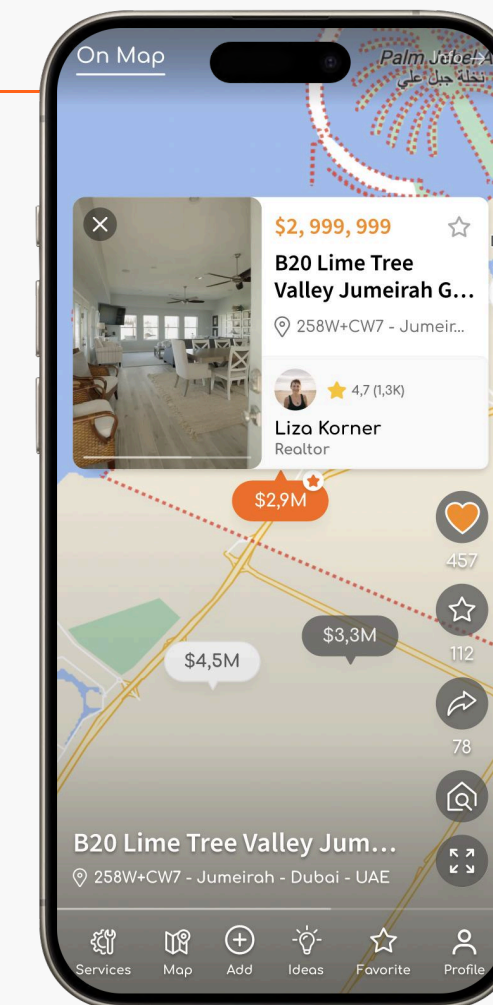

Registration

We ensure reliability for all of our visitors, so all clients must undergo our internal verification process.

Special Conditions

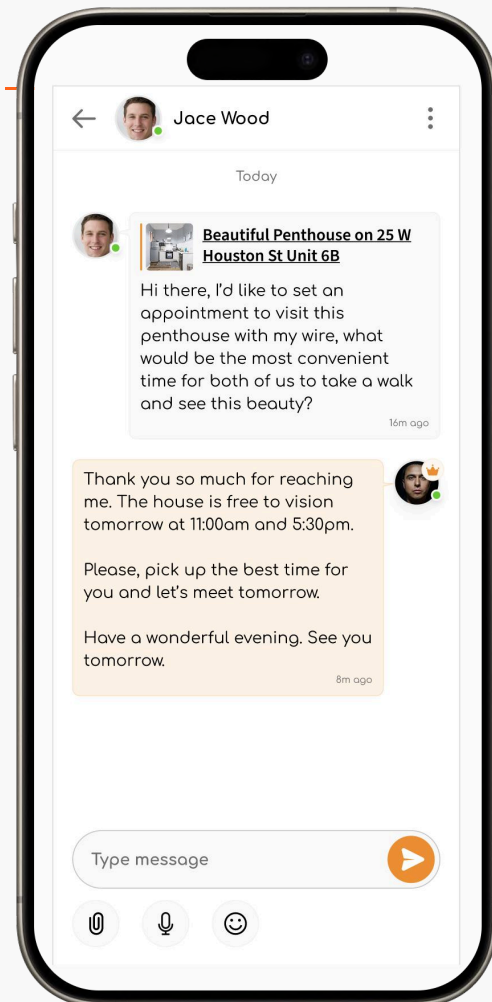

For our “First Wave Participants”, we have prepared advantageous offers with special prices and benefits.

Publication Assistance

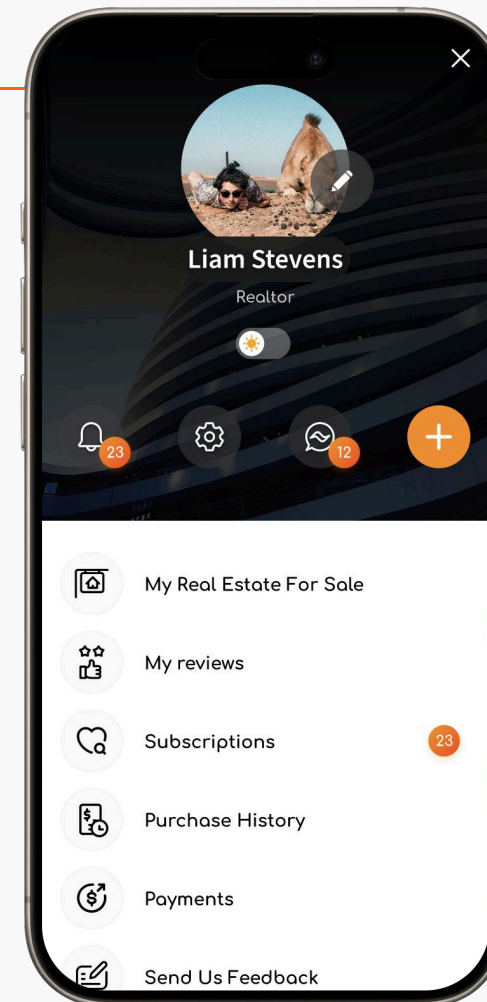

We will work hand-in-hand with you and your team to ensure that your publication is of the highest possible quality.

HOW IT WORKS

Inquiry Response Rate

Our platform delivers higher conversion rates than traditional real estate search websites, directly aligning with the primary objectives of our partners.

Secure Transaction Completion

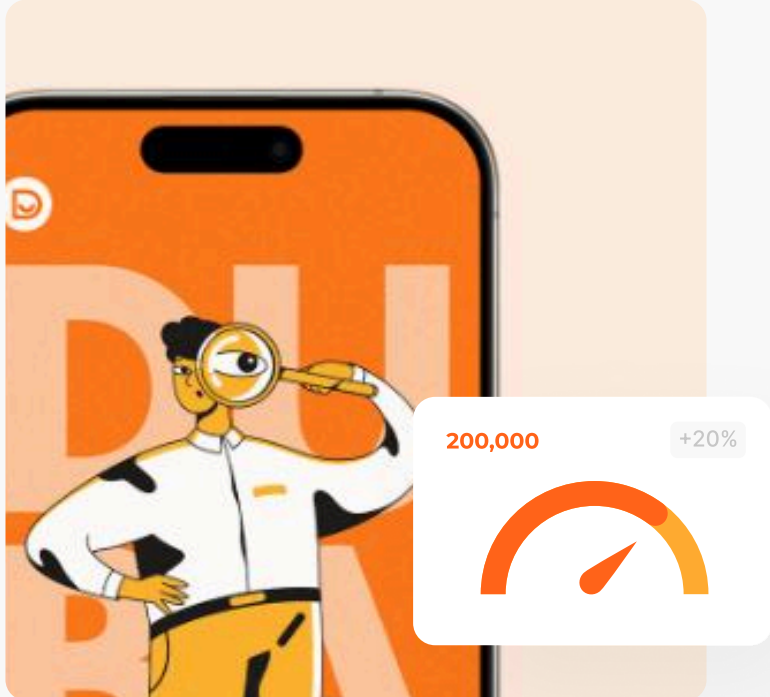

We facilitate direct communication between partners and clients by providing all necessary information, while not intervening in their interactions.

WHAT ARE YOU GETTING

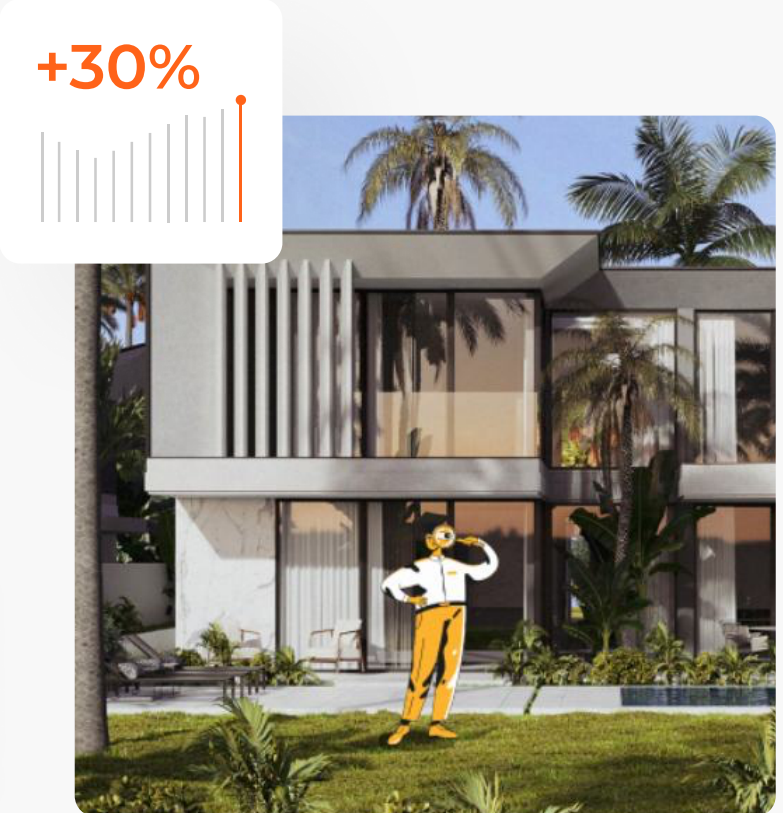

More than 15 million

Advertising reach, and this is just the start.

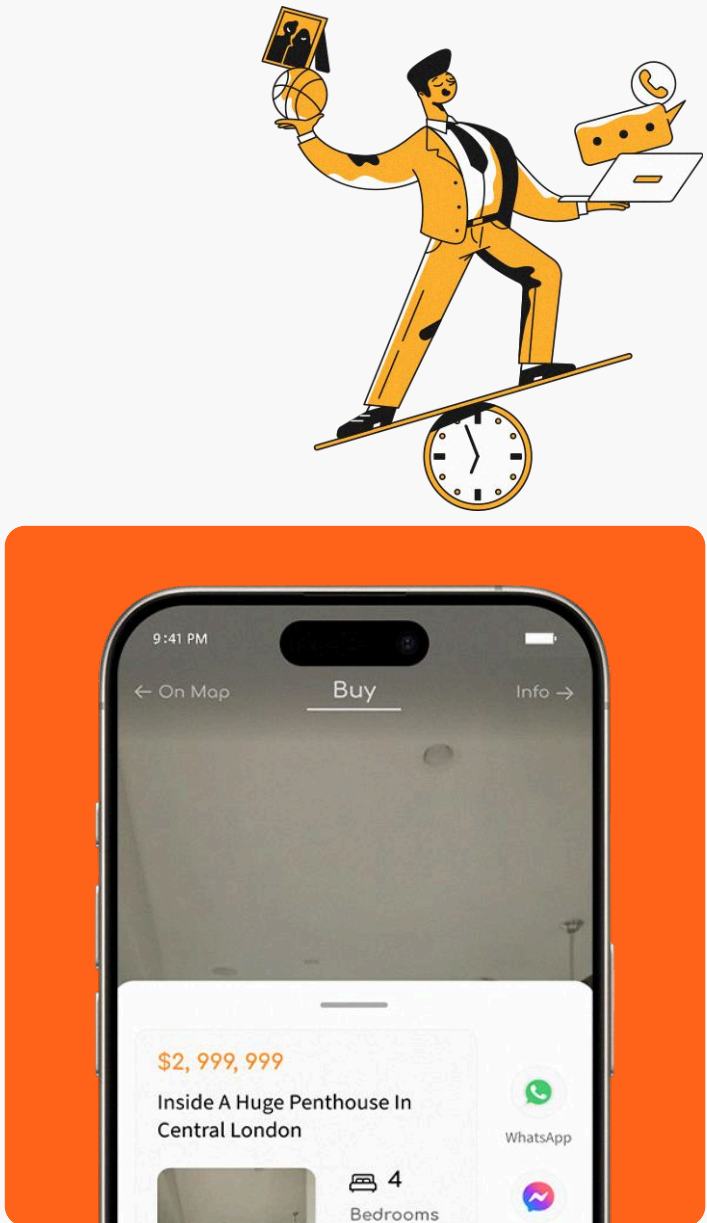

Traffic exceeds 200,000

Projected traffic per month at the start of the service, which will increase from month to month.

An increase of 30%

Increase in customers within the first 6 months of service usage

Saving 15% of time

Reducing the time spent on property viewings, thanks to pre-viewing clients with video tours and the ability to conduct personal streams

Up to x3 Requests

Compared to standard advertisements.

HOW WILL OUR GLOBAL PLATFORM DEVELOP?

Preparing for launch

Date: **now**

Currently, we are in the preparatory phase, meticulously developing a website that integrates invaluable marketing data and research from real estate market professionals.

Primary launch and special conditions

Date: July 1, 2024

The launch of the platform for partners, providing exclusive access to partners under special conditions.

Full project launch

Date: September 1, 2024

From the first day of autumn, we open our doors to everyone, unleashing the full potential of our platform. With all partners on board, we'll ensure strict quality control and enhance functionality for an improved user experience. Additionally, we'll kickstart active project promotion and offer free advertisement placement for all listings, preparing for an impressive debut.

App launch

Date: 4th quarter 2024

Launching a unique application (iOS and Android) on the real estate and lifestyle market for clients.
